Father Pojez and Sister Augustine, and Adrienne, heads of the music department, have selected soloists for the Cantata, "Belle of Barcelona," to be presented after Easter. Doris Roseman and Frances Mathews will have the leading roles. Other soloists are Regina Boish, Barbara O'Brien, Judy Coppen, Jo Jo Horne, Gaynell Lagasse, Inez Favre, Patry, Rosato, Peggy Blake and Lilliane Powell. Last year's presentation of Princess Chrysanthemum was outstanding and the "Belle of Barcelona" from what we've heard so far, promises to be even better.

Seniors were up bright and early Friday morning... attended Mass and were on their way for Slidell where they boarded the Southerner at 7:45. Cards some of us received tell of the wonderful time they are having... Oh to be a senior!! Can hardly wait.

The first literary issue of the Sea Sprite was distributed last week... Poems and essays by a number of high school students, judged on the basis of originality and style are published in this issue... Margaret Moore's essays, "I Caught the Sewing Bug" and "Living on Borrowed Time" merited special recognition.

North Central Hawks are now State Champions in the basketball field. Congratulations... You are a wonderful team and a credit to Hancock County.

PLAN TO ORGANIZE JAYCEE CHAPTER AT PASS CHRISTIAN

The Extension Team of the Bay St. Louis Jaycees, headed by Tom Logue, met with interested young men in Pass Christian, Miss. Friday, March 11th, at 7:30 p. m. for the purpose of organizing a Jaycee Chapter in Pass Christian. Logue and his committee met with a representative group last Friday night and the new group voted to organize a local Jaycee Chapter. The group elected Paul Torgeson as its temporary chairman; Torgeson appointed Dayton Robinson as temporary secretary; Kenneth Torgeson, temporary Publicity Chairman; and Henry Easterling, temporary Membership Chairman.

Those attending the meeting from Bay St. Louis were Dr. F. Schmidt, David Treutzel, Hartwell Cox, E. J. Marengo and Mike Haas. The local group reported that there is a great deal of enthusiasm among the young men of Pass Christian concerning this move. Since the Bay St. Louis Chapter has, itself, just recently organized, it will be a feather in its cap to extend this new chapter.

In other developments, the local chapter received its charter of incorporation from the Secretary of State as a non-profit corporation.

It was also announced that the organization submitted the highest bid for the 1928 Seagraves Fire Engine offered for sale by the City of Bay St. Louis, and on Wednesday, the City conveyed it to the group. A committee has been appointed by the President and Board of Directors to restore the fire engine and the group plans to make a show piece out of it. Members of the committee are: Alex Cospehich, chairman, Charles Pookon, Al Summy, Frank Hille and Bernie Piazza. This committee will be responsible for the fire engine.

At a special meeting of the Board of Directors, held last Monday, it was decided that the group would publish a monthly bulletin and that each month, the Board of Directors would name the outstanding Jaycee of the month. The outstanding Jaycees for the month of January and February were named and will be announced in the first publication, to be published about the middle of the month.

Other business included the naming of Dr. A. K. Martinovich as Chairman of the Charity Committee. All requests for assistance in Charities must go through Martinovich's committee. Lionel Seiler was named to replace Dr. Frank Schmidt as chairman of the Community Development Committee. Fifteen additional members were named to assist in the Miss Bay St. Louis Pageant. The group also voted to rent permanent office space, details to be announced at a later date.

The Story On Page One To Show At Star

What we know as love seems so common in daily life that it becomes newsworthy only when by a pitiful contradiction, a man and woman occasionally murders for it. That is what this new film, "The Story on Page One" appearing Sunday and Monday at the Star Theatre, is about.

An average man and woman, chained by family ties, and unhappy marriage, dare to reach out in a desperate and illicit try for love. And almost before these two neighbors of yours have left their dusty corners, they find themselves before judge and jury, charged with the dreaded "murder one," murder in the very first degree!

Stunned and bewildered, but actually innocent their private lives exposed vividly in the daily press, this man and woman unflinchingly face together the impartial but terrible machinery of the law. In this Jerry Wald production for 20th Century-Fox, an unusually strong cast headed by Rita Hayworth, Anthony Franciosa and Guy Young, plays this tense, human drama for all it is worth.

The picture was both written and directed carefully by the undersigned. That you will enjoy and like it is a promise made not lightly or untruthfully.

Clifford Odets.

Toby Tyler To Be Shown At The Legion Theatre March 24th

Ever a man to follow a hit with a hit, Walt Disney reteams top funmakers of "The Shaggy Dog" for his newest Technicolor comedy "Toby Tyler," starting Thursday, March 24 at the Legion Theatre, Gulfport.

Kevin Corcoran, Charles Barton, Bill Walsh and Lillie Hayward brings laughs to Disney's gross picture after an earlier association on "The Shaggy Dog."

Ten-year-old Kevin plays the runaway boy who joins a wagon show in "Toby Tyler." Barton, who has been turning out successful film comedies for years, directed the Technicolor production. Walsh and Miss Hayward wrote the script.

"Toby Tyler" or "Ten Weeks With A Circus," is based on the popular book by James Otis Kaler. It introduces Mr. Stubbs a clever chimpanzee whose antics rival those of Shaggy, Old Yeller and other Disney animal stars.

Stubbs is a method actor, his method being to steal scenes, food, props and anything else he can get away with.

The Buena Vista release also features Henry Calvin, Gene Sheldon, Bob Sweeney and Richard Eastham.
